Please share this with your FB page followers. You can always reach out to me in Jeffco's Communications Services dept at 303-982-6567. The group hosting this event, The Evergreen Tea Party, announced they made a copy error on the original event announcement flier. Superintendent Dan McMinimee was invited to speak at the event, along with some Jeffco mountain-area principals. Only Conifer HS Principal Wesley Paxton and Evergreen HS Principal Ryan Alsup attended the meeting. The flier information about the event sponsors indicated a group, American Freedom Party, was a co-sponsor. The staff of the Evergreen Tea Party made this copy error. Instead, the group sponsor was Americans For Prosperity. The superintendent and board of education office is responding to district correspondence about this matter. For more information about the event or the sponsors, please contact: Ed Sutton, President Evergreen Tea Party, 3082 Evergreen Parkway, Suite A, Evergreen, CO 80439
